Dear Becci:

Thank you for all your help in making the SHARK TALE premiere in Venice such a spectacular night. Watching the movie under the stars in the magnificent Piazza San Marco made for a magical night that no one will ever forget.

Your work over the weeks and months leading up to the premiere made all the difference in what turned out to be a flawless event.

Everyone at DreamWorks, as well as the cast and filmmakers of SHARK TALE, join me in thanking you for all your efforts. The premiere was a smashing success and you share in that success.

Best,

Jeffrey
