Dear Kevin & Bob:

We just would like to take a moment to thank you both for everything you did in conjunction with the Elton John AIDS Foundation Oscar® Party. We cannot thank you both enough for working with Colin Cowie Lifestyle to make all of our technical needs a foremost concern and working with us to create an atmosphere that was comfortable for our guests, as well as conducive with the design.

Also, we appreciate so much the added efforts in the coordination of all the technical needs brought on by the addition of Elton John and Nelly Furtado to the entertainment program, as well as our additional technical needs. On site, Kevin you were able to make so many changes and roll with the punches and not bat an eye...that it really made our life easier and helped to make the event a success. We appreciate your calm demeanor throughout the entire process!

Thank you again. Enclosed please find gift bags for both of you from the event, as well as one of the badges...which we promised. We enjoyed working with you and look forward to future events together.

Warm Regards,
