Dear Bob,

I'm so glad that Me3 once again was a part of the Shoah Foundation's 2004 "Ambassadors for Humanity" gala on January 14, 2004. Me3 is an incredible company that really does top notch work, and it showed that night!

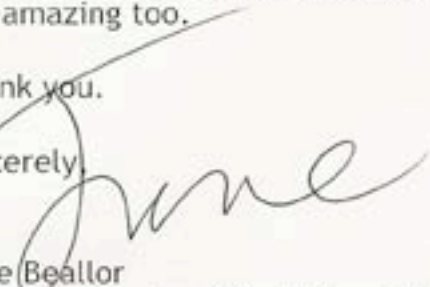

BOARD OF DIRECTORS  
CHAIR  
SUSAN CROWN

I am so glad that you were also able to be there that night, as it gave me a very good sense of comfort. Of course, Becci and Walt are amazing too.
